Owner/Applicant Statement **Complete only if homeowner is permit applicant**	
<p>I understand the State of Minnesota requires residential contractors, residential remodelers, residential roofers, electrical contractors and plumbers be licensed to work in the State unless they qualify for a specific exemption from the licensing requirements. By signing this statement, I certify that I am building or improving this dwelling myself. I claim to be exempt from state licensing requirements because I am not in the business of building on speculation or for resale. I certify I have not built or improved any other residential structures in the State within the past twenty-four months. I also acknowledge that, because I do not have a state license, I forfeit any mechanic's lien rights to which I may otherwise have been entitled under MS 514.01.</p> <p>I further acknowledge I may be hiring independent contractors to perform certain aspects of the improvements on this dwelling, and I understand some of these contractors may be required to be licensed by the State. I understand unlicensed residential contracting, residential remodeling and residential roofing activity is a misdemeanor under Minnesota law, and I forfeit my rights to reimbursement from the Contractors Recovery Fund in the event any contractors I hire are unlicensed.</p>
