SUBJECT: 2022 Hopkins Community Image Awards

Each year the City of Hopkins recognizes certain properties for their contribution toward the positive image of the community. Awards are grouped in three categories—Commercial/Industrial/ Office, Multi-Family Residential, and Single-Family Residential. Nominations are sought from the public through August and a review committee determines which nominated properties receive awards. Each property that receives at least four of the five review committee votes receives an award. There is no limit to the number of properties that can be awarded, but winners from the last 10 years are not considered.

This year the review committee consisted of business representative Danny McDonald from State Farm, residents Rosetta Muhammad and Jodie Arfmann, and City staff members Garrett Grniet and Muse Mohamed.

The following three properties were selected by the committee:

- Commercial/Industrial/Office:
 - Bear Cave Brewing – 1201 Mainstreet
- Single-Family Residential:
 - The Mussmans – 226 7th Avenue North
- Multi-Family Residential:

Council Report 2022-110

Resolution Designating Polling Places

Staff recommends approval of the following motion: Move to approve Resolution 2022-082 Designating Polling Places.

Overview

According to State law, municipalities must designate polling places for each election precinct for the following calendar year. This must be done by December 31. A polling place must be located within the boundaries of the precinct or within one mile of those boundaries.

There are currently five voting precincts in Hopkins and no polling location changes are proposed at this time.

Primary Issues to Consider

- Law requires the designation of polling places.
- Staff is not recommending any changes to the current polling locations.

**RENEWAL OF GENERAL LIABILITY AND PROPERTY INSURANCE AND
AUTHORIZE NOT WAIVING OF THE STATUTORY TORT LIABILITY
ON THE LEAGUE OF MINNESOTA CITIES INSURANCE TRUST POLICY**

Proposed Action

Staff recommends adoption of the following: Move to approve renewal of the LMCIT Insurance Policy and to not waive the statutory tort liability limits to the extent of the coverage purchased.

Adoption of this motion will result in staff moving forward with the proposed LMCIT insurance coverage including not waiving the statutory tort liability limits. Staff will also obtain a quote for optional no fault sewer backup and water main break coverage. The staff recommendation to not waive the statutory tort liability limits is based on liability exposure to the city in the form of higher premiums.

Overview

The LMCIT notified its members of 2023 coverage rates on in November of 2022. They indicated that insurance rates will increase by an average of 5% in the property/casualty programs. Auto physical damage and scheduled mobile equipment rates will also see an average rate increase of 5%. The overall rate changes may not necessarily correspond with a specific City’s insurance premiums. Actual premiums are also affected by changes in city expenditures, property values, payrolls, experience rating and other exposure measures. Property/Casualty insurance premiums were \$233,685 in 2022. The 2022 budgeted amount was set at 251,211. We anticipate that insurance premiums overall for Hopkins will be within the budgeted amounts for 2023.

Finance continues to recommend the deductible amount of \$20,000/\$40,000 with \$1,000 per occurrence after reaching the maximum of \$40,000. The current amount available in the insurance risk fund to cover deductible costs is \$213,478. In addition we will be sharing in a \$10 Million LMCIT dividend this year. LMCIT has consistently paid out dividends since 1987, totaling approximately \$347 million. The dividend will add to our insurance reserves for potential claims and deductibles.

Primary Issues to Consider

- Deductible amount
- Tort liability exposure

Staff Recommendation

Finance recommends renewal of the LMCIT Insurance Policy and to not waive the monetary limits on the tort liability established by Minnesota Statutes 466.04, to the extent of the limits of the liability coverage obtained from LMCIT.

Supporting Information

LIABILITY COVERAGE – WAIVER FORM

Members who obtain liability coverage through the League of Minnesota Cities Insurance Trust (LMCIT) must complete and return this form to LMCIT before the member's effective date of coverage. Return completed form to your underwriter or email to pstech@lmc.org.

The decision to waive or not waive the statutory tort limits must be made annually by the member's governing body, in consultation with its attorney if necessary.

Members who obtain liability coverage from LMCIT must decide whether to waive the statutory tort liability limits to the extent of the coverage purchased. The decision has the following effects:

- *If the member does not waive the statutory tort limits, an individual claimant could recover no more than \$500,000 on any claim to which the statutory tort limits apply. The total all claimants could recover for a single occurrence to which the statutory tort limits apply would be limited to \$1,500,000. These statutory tort limits would apply regardless of whether the member purchases the optional LMCIT excess liability coverage.*
- *If the member waives the statutory tort limits and does not purchase excess liability coverage, a single claimant could recover up to \$2,000,000 for a single occurrence (under the waive option, the tort cap liability limits are only waived to the extent of the member's liability coverage limits, and the LMCIT per occurrence limit is \$2,000,000). The total all claimants could recover for a single occurrence to which the statutory tort limits apply would also be limited to \$2,000,000, regardless of the number of claimants.*
- *If the member waives the statutory tort limits and purchases excess liability coverage, a single claimant could potentially recover an amount up to the limit of the coverage purchased. The total all claimants could recover for a single occurrence to which the statutory tort limits apply would also be limited to the amount of coverage purchased, regardless of the number of claimants.*

Claims to which the statutory municipal tort limits do not apply are not affected by this decision.
