Subject: Recreation Update

Purpose

To provide an update on Hopkins-Minnetonka Recreation Programming from Recreation Superintendent, Ann Davy.

Background

Summer Registration

Registration for general summer programs opened Tuesday, March 7. Approximately 4,250 registrations have been processed so far. The registration start date for swimming lessons is still yet to come on May 10.

Summer Hiring Underway

Applications are now being accepted for all summer jobs including gate, concession, and lifeguard staff at Shady Oak Beach, as well as swim instructors, park attendants and Park Adventures leaders. Recreation staff are attending two job fairs at Hopkins High School this spring in an effort to recruit applicants.

Hop-Kids Spring Session

The spring session of the Hop-Kids pre-school sports programs offered jointly with Hopkins Community Education begins in April. These include such sports as golf, basketball, soccer, t-ball and ninja warrior fitness. There are currently 144 youth registered for 17 course offerings.

New Program Location

Minnetonka's newest park, Ridgedale Commons, will be opening this spring near Ridgedale Mall. Many of the youth art, science and dance classes will be moving from the Glen Lake Activity Center to the new facility at Ridgedale Commons as early as this month. It will be a much-improved atmosphere for these types of classes.

The Marsh

On March 22, 2023, the City of Minnetonka sent out an email with an update on The Marsh. All Park Board members received a copy of the email on that same day.
