

# REDUCE YOUR OPERATING COSTS

Join the “Solar for Vouchers” technical assistance program and realize energy savings.

## WHAT?

The Metropolitan Council is piloting a program to help property owners save money on energy costs through solar panel installation.

The program will guide participants through the technical, contractual, and financial aspects of installing solar energy, and reduce the costs to do so.

## HOW?

## WHY PARTICIPATE?

- Save money through group purchasing and contracting.
- Access expert knowledge on solar technologies, contract terms, and financing options.
- Benefit from streamlined, government-facilitated group procurement process.

# WHAT IS REQUIRED OF YOU?

To participate, you must lease, at market rate, the following number of units to low-income households through the Housing Choice Voucher Program for 5 years:

RANGE OF UNITS IN BUILDING	NUMBER OF UNITS RESERVED FOR VOUCHER HOLDERS
5 - 20	2
21 - 40	4
41 - 100	8
101 - 150	10
151+	15

### Eligible properties must be:

- Served by Xcel Energy.
- Located in Metro HRA's Service Area.
- No taller than 5 stories.
- Buildings with 5 or more units.
- Structurally sound enough to support solar panels.

# STEPS IN THE PROCESS

1. Submit your application
2. Host a site visit
3. Contracts negotiated
4. Solar installed
