Suicide, Self-Harm and Violence in American Youth: How Can We Help Them?

We are inundated with the sobering news of declining mental health in America's youth. We will talk briefly about potential reasons why this is happening, and our focus will be on identifying the children and teens who are most vulnerable and strategies to protect them. The presenter is Rebecca Krill, MD. She is board certified in adult and pediatric psychiatry and a practicing physician with HealthPartners.

Forums are FREE and open to all.
